**PIGMENT ERASER™ II**

## PERFORMANCE:

## DIRECTIONS FOR USE:

*Read and follow all precautionary statements located on the front outer label.  
Always wear protective gloves, protective clothing, eye protection and face protection.*

Use Pigment Eraser™ II often to prevent excessive build up of stains on surfaces.

### CLEANING PROTOCOL:

- Lightly wet the surface to be cleaned with water
- Using warm water will improve the cleaning action of the detergent
- Spray the foaming cleaner liberally onto the surface to be cleaned
- Allow the cleaner to contact surface for at least 5 minutes prior to rinsing off
- Wipe and/or scrub with a scrub pad or stiff-bristled brush
- Rinse off surface with water
